

**Welcome**

Welcome to your Gateway Music audition!

**Before you come for your audition please remember that we expect four things from you.**

- Connection** This means that you believe in Jesus, that you have been baptised and that you are connected (part of a life group) and contributing (tithing) to the life of our church family.
- Character** This means you are committed to growing in character and that you are displaying the fruit associated with knowing Jesus.
- Charisma** This means that you have musical ability and are eager to grow in your gift.
- Commitment** This means that you see worship as a privilege and prioritise practice and Sunday services.

## **Notes**

### **Tone**

Tone refers to the sound produced by the musician. This includes both the tuning and actual sound produced.

### **Rhythm**

Rhythm refers to the musicians ability to keep a consistent and even time and to change the chords at the correct time in the song. For drummers this includes knowing the song layout.

Overall refers to all other aspects of playing including song structure, confidence, performance, music style suitable for worship etc.

### **Chords**

Musicians to show all the chords they know how to play. This includes different voicings (guitar) and inversions (keyboard).

### **Vocal range**

Vocalists to show the extent of their vocal range with notes on piano.

### **Drum beats**

Drummers to show the variety of different beats that they are comfortable playing. This could include different time signatures (4/4, 6/8 etc), different styles, half time and double time.
